Overview

Seller said Give it a NEW PRICE! This Beauty is super close to all that Danville has to offer with that country feel as you sit on your back patio. Boasting 2 structures on the property with lots of potential. The 3 bedroom, 2 bath main home has been tastefully remodeled with an unfinished basement where more rooms can be added to your preference. The Second structure with Electric already added offers about 1400 sq. ft with many possibilities. Call with any questions and schedule your appointment.
