Overview

Phenomenal location in the heart of Morrisville! Nestled on a quiet, northwest facing cul-de-sac lot, this beautiful craftsman retreat backs to a serene wooded setting! Inviting, two story foyer flows effortlessly to a large main level office/flex space with double doors for added privacy and formal dining room. Seamless open design showcases the gorgeous family room with fireplace, cozy breakfast area, and gourmet kitchen featuring a huge island, tile backsplash, granite countertops, and stainless steel appliances. First floor primary suite overlooking woods boasts luxurious spa-like comforts including garden tub, separate shower, dual vanity, and walk in closet. Refinished hardwoods, new paint, and modern light fixtures recently updated! Second level leads to great loft space, three additional bedrooms, two full bathrooms, and lots of storage options. Enjoy the last days of summer grilling out on your deck or snuggling up with a good book on your welcoming front porch!
