Overview

Experience the difference with this split entry home by Westview Construction, currently undergoing construction. This remarkable home boasts two bedrooms and two bathrooms, adorned with custom slow close cabinetry, solid corridors, and vaulted ceilings that add an extra touch. As you enter, you'll be greeted by an oversized foyer, larger than normal split entry home. The open floor plan creates a seamless flow throughout the home, providing a wonderful space for entertaining and relaxation. Impeccable quality and craftsmanship are evident in the finishing touches that grace every corner. The large unfinished basement provides an opportunity for personalization, allowing you to transform it into a space that perfectly suits your needs. Equipped with an energy efficient Bryant furnace and AC, this home ensures optimal comfort and efficiency. Includes asphalt driveway and landscaping!
