## Overview

Discover your dream home with breathtaking views of Lake Erie! This delightful 3-bedroom, 2-bathroom home is nestled on a spacious 1.5-acre lot, providing the perfect blend of comfort, space, and natural beauty. The well-designed floor plan offers three cozy bedrooms and two full bathrooms, making it ideal for family living or hosting guests. The walk-out basement adds versatility to the home, offering endless possibilities for additional living space, a home gym, or a recreational area. The sunroom is a bright, inviting space to relax, while the adjoining deck provides an ideal spot for outdoor entertaining, overlooking a serene and picturesque backyard. Your vehicles will be safe and secure in the attached 2-car garage, which also offers extra storage space. The expansive backyard is perfect for gardening, outdoor activities, or simply enjoying the tranquility of your surroundings. Located just a short walk from Conneaut Beach and Park, this home offers easy access to the shores of Lake Erie, perfect for beach lovers and outdoor enthusiasts. Whether you're looking to unwind by the lake or entertain in style, this property has it all. Don't miss the opportunity to make this charming home your own!
