Overview

Four spacious building lots in the east part of Cheyenne Chukker Ridge! These city lots range between 8000 - 13,500 sq. ft. many lots can accommodate a 4 car garage. This subdivision will connect to the newly approved City of Cheyenne Southeast Community Park; a 105 acre addition of proposed softball fields, soccer fields, tennis courts, swimming pools, wetland, lake and several gazebos. Most affordable lots available in city limits! See pics for directions and proposed park.
