Overview

This cozy 3BR/2BA cabin style home is a great vacation getaway, home, or short-term rental with favorable rental income history for investors. The home has a deck for entertaining as well as a covered observation deck with the added feature of a gas fire pit and lots of out door space for entertaining. The kitchen area has access to the deck and there is a bedroom on the main floor. This property is easy to maintain and has views of the surrounding mountains. Less than 10 minutes from the Tryon International Equestrian Center. This property is offered furnished with a few exclusions.
