## Overview

Secreted away at the end of a long winding driveway on 7.8 acres of picturesque land, in the quaint community of Tolar, Tx, this charming country home offers a tranquil retreat from the hustle and bustle of city life. The property is enveloped by stunning natural beauty, offering seclusion and privacy. The inviting home features an open floor plan, with large two-story windows for a panoramic view like none other. You can even enjoy the view from the kitchen that features granite counters, stainless appliances and a center work island. Master Suite with luxurious bath, 1 Guest bedroom and another full bath are located on the 1st floor, Upstairs is a loft bedroom (with full bath) that could be used as an office or artist's studio to take advantage of the natural lighting. With a Foam encapsulated attic for energy efficiency and a metal roof for looks and durability, the property also includes a 30 x 40 heated and cooled workshop with 1000 ft in concrete floors and a small area left for horse stalls.
