Overview

Welcome to Cobblestone Village, a single-family community ideally located in a fast-emerging area of Savannah, Georgia! This spacious Galen plan features 4 bedrooms and 2 1/2 baths. First floor open concept living area is perfect for entertaining while a flex room creates privacy for office space. The kitchen boasts a large island, oversized walk-in pantry, SS appliances. Escape for the evening to the luxurious primary suite with generous walk-in closet. Wake in the morning to a sun-soaked bath with dual vanities and ample storage. Upstairs laundry room, three guest bedrooms and bath complete the second floor. Smart home technology and 2 Faux Wood Blinds included. Builders Warranty provided! Pictures, photographs, colors, features, and sizes are for illustration purposes only and will vary from the homes as built. Home is under construction.
