Overview

EAST VALLEY/TRENT COMMERCIAL PARCEL. At the end of a quiet cul-de-sac, just one block from Trent Ave, and just 3 blocks from access to N Sullivan Rd, this vacant property has endless possibilities. The owners had already hired a firm to design a custom shop perfect for this space and you're more than welcome to it. Ask for a copy. Zoned Industrial Mixed Use (IMU), there's a multitude of business uses (ask for a copy). But currently NOT zoned for Residential use. However, the property is surrounded by single family homes which might make a strong case for a zoning change. Water, sewer, power, phone all available on the street property line. Call for more information.
