Overview

JERICH0. Charming Splanh home perfectly situated mid-block on a wrap-around Way. With a circular driveway, mature plantings and landscaping, and a gorgeous and private backyard oasis with inground pool and spa, this place is perfect to entertainment and sure to please!! Featuring 4 bedrooms and 2.5 bathrooms; the interior holds incredible spaces and layout, with meticulous detailing, high ceilings, and seamless flow. The foyer takes you into the main level and heart of the home; the eat in kitchen(with walk-in pantry) with family room featuring a cozy wood-burning fireplace, and multiple accesses to the back patio. Additionally on the first floor, at the front of the home, is an office/sun room. On the next level is another family room with exposed 2nd floor balcony and wall of windows. The lower level holds additional space, great for play room and/or office, and laundry. A must see!
