Overview

Come visit this new construction in Green Farms with 3 bedrooms, but could be 4. The kitchen features beautiful solid surface countertops, large gas range, built in oven, refrigerator, and microwave in the island. The cabinets feature self closures, pull outs, and large drawers for pots and pans and larger items. Not only does the kitchen have lots of cabinets but also a large separate pantry with shelving and lots of room for additional items. The dining room is adjacent to the kitchen with beautiful lighting and windows looking out to the covered porch. The living room features custom TV and entertainment center with shelving. The room also features over 15' ceilings an crown molding. The bedrooms feature a split floor plan with the office being off the living room which could be used as a 4th bedroom if needed. It features a sliding door and closet. Another room which was used for a craft room could be the office or another bedroom. The master bedroom is large with a massive bath with jetted tub, walk in shower and large walk in closet. Laundry room is close to the master bedroom with separate sink and closet. Off the garage exit area is a half bath which walks out to the screened porch, which also walks out to the covered open porch and the fenced in area. The garage is 33 x 29 with extra storage. Come tour this beautiful home on a cul-de-sac in beautiful Green Farms.
