Overview

RARE WEAVERVILLE FIND! Charming 4 bedroom farmhouse on 5 gorgeous level and private acres, only minutes from highly sought after Downtown Weaverville. Home is inviting with indoor/outdoor living, solar panels and solar trees support the whole house with high efficiency. Sunroom, not included in finished square footage, offers passive solar comfort. Wrap around deck and screened in porch for morning coffee or end of the day relaxing. Sturdy home built in 1865 with some updating (Kitchen, HVAC). The woodstove in the middle of the living area for cozy warmth in the cold season. A wonderful sanctuary and gardeners paradise on this gentle, useable land, with extensive landscaping and fruit trees. Restaurant, Stores, Shops, Schools, and Breweries all at your fingertips.
