Overview

Unique opportunity to unlock the advantages of buying an in-progress home built by Thomas James Homes. When purchasing this home, you will benefit from preferred pricing, designed personalization, and more. Estimated home completion is Spring 2025. Distinguished 4-bedroom, 3.5-bathroom Transitional-style home, located in a prime Mountain View neighborhood. Just inside the front porch is the great room that includes an inviting fireplace and doors to the covered patio for al fresco dining. At the heart of the main floor is the gourmet kitchen hosting an island, top-of-the-line appliances, and dining room. The main floor comes complete with a laundry room and ADU with living area, kitchenette, and en suite bathroom. Head upstairs to discover the tech office, 2 additional secondary bedrooms, and a full bathroom with dual-sink vanity. Enjoy the luxurious grand suite, which includes a spa-like bathroom and walk-in closet. Contact TJH to learn the benefits of buying early. Preliminary architecture shown is subject to change based on jurisdiction's design review process. Illustrative landscaping shown is generic and does not represent the landscaping proposed for this site. All imagery is representational and does not depict specific building, views or future architectural details.
