## Overview

This is an awesome 2 bedroom, 2 bath home on sought after Elk Lake! So inviting and many updates are found through-out this beautiful home such as 2 stone fireplaces with one in the lakeside living room and the other in the lower charming family room, main floor primary bedroom with an impressive bathroom, natural knotty-pine, a 3 season screened in porch, upper balcony with spectacular lake view, easy level walk-out to the water, large lake facing windows for mesmerizing sunrises and sparkling water, lakeside fire-pit, and so much more await you! As they say Skip a stone. Catch a fish. Laugh. Sit a spell. Read a book. Listen. Daydream. Just breathe. This is lake living.
