## Overview

Discover the epitome of quality and custom craftsmanship in this stunning colonial home, located north of 6A in the prestigious Norse Pines neighborhood. The gourmet kitchen is a chef's dream, featuring stone countertops, top-of-the-line stainless steel appliances, custom Birch cabinets, and a beautifully crafted island. Double sliders lead to a private patio, offering an idyllic spot to enjoy your morning coffee while taking in the serene surroundings. The inviting and spacious floor plan includes elegant French doors that open to a generous living room, dining room, and family room with gas fireplace and built ins, all adorned with gleaming hardwood floors throughout the main level. The mudroom has the perfect laundry and workspace. The upstairs primary suite is a true retreat, complete with a luxurious bath featuring a spa tub, custom shower, double sinks, and his and double walk-in closets. An adjacent finished bonus room provides versatile space, ideal for a nursery, studio, or home office. There are two additional bedrooms plus a custom designed bonus third floor bunk room with the coolest play area. The expansive yard, nearly an acre in size, abuts conservation land, providing a lovely, peaceful setting that enhances the home's charm. This outstanding property is a must-see for discerning buyers.
