## Overview

Nestled in a peaceful Northside neighborhood, this stunning 3-bedroom, 2.5-bath ranch is a gem for the discerning buyer. Step into the welcoming foyer and discover a home full of thoughtful updates and an open floor plan perfect for modern living. The spacious living room, combined with a dining area, features gleaming hardwood floors that enhance its elegance. The light and bright eat-in kitchen is a chef's dream, offering an abundance of gorgeous white cabinets with crown molding, granite countertops, stainless steel appliances, and a versatile island. The planked flooring adds a touch of rustic charm. The large master bedroom suite is a retreat of its own, complete with a private full bath offering dual sinks and his-and-hers closets. Two additional nicely sized bedrooms provide comfort and style. First floor washer and dryer offers added convenience. The finished basement is an entertainer's delight, with ample space for gatherings of friends and family. Practicality is not overlooked, with storage/utility space under the stairs and backup sump pumps providing peace of mind. Outdoor living is equally impressive with a huge deck perfect for summer relaxation, overlooking a large fenced rear yard and serene garden. The attached 2.5-car garage offers plenty of space, complemented by ample off-street parking. Situated on a quiet, low-traffic street, this home is surrounded by the natural beauty of forest preserves and is conveniently located near shopping,

schools, public transportation, and just minutes from Lake Michigan beaches. This is the ideal blend of comfort, convenience, and charm! Make this home yours today!
