Overview

Welcome to this pristine custom-built home in La Vernia. Offering 4 bedrooms, 2 bathrooms and two living areas this home has so much to offer. The garage was enclosed and turned into a second living area/office. The detached garage with carport gives this home ample parking. The above ground pool and deck are great for entertaining in the summer. The storage area was once used for housing chickens for FFA projects. Roof replaced last year. Carpet replaced last year. Pool liner replaced last year. Please verify anything important to your buyer. This home is ready to go!
