## Overview

Very well maintained split level home, that has plenty of space for you and your family. It boasts 3 bedrooms with 1 and half bathrooms and a finished basement! When you walk in to this home, you will notice the updated kitchen with newer cabinets and countertops along with a wonderful kitchen island to help with all your cooking needs. You'll also be drawn to the wonderful and newer hardwood floors in the upstairs living room and hallway. With a ceramic tiled four season room off the back of the house, its a fantastic area that overlooks your kids playing in the backyard. Along with a deep attached 2 car garage, all your items and car(s) will be protected from the elements here. A brand new 6 ft high cedar fence will give you and your family the privacy to play and relax in this fantastic backyard. Don't wait on this one, go take a look before its gone !
