Overview

Feel instantly welcome when you enter this cozy bungalow in Davison the City of Flags. Recently renovated flooring and ceramic tile in kitchen and bathrooms and roof replaced in 2024. Water heater and furnace replaced in last two years. Look forward to meals in the quaint dining room after lingering in kitchen where you'll fall in love with the stylish efficiency, punctuated by generous counter and cabinet space. Each bedroom is roomy and features ample closets and space that can accommodate everyone during rush-to-get-ready mornings. Head outside during the summer where you can relax, entertain and grill on the huge 650 square foot deck and swim in heated and professionally maintained pool. The perfect spot for entertaining or have your pets run around throughout the broad fenced yard. A perfect blend of location, efficiency and charm, this home won't last long.
