## Overview

This charming Winfrey Valley cabin, tucked away in the heart of the Ozark National Forest, offers access to hundreds of thousands of acres of public land, making it an ideal hunting cabin or weekend retreat. The 896 square-foot cabin features two bedrooms, one bathroom, and a beautiful spiral staircase leading up to the loft. If you are looking for a place to sit back, relax and enjoy the Ozark Mountains and all they have to offer then look no further then The Winfrey Cabin!
