Overview

This charming 2-bedroom, 1-bath home is ready for your personal touch. With hardwood flooring throughout the first floor, it offers a warm and inviting atmosphere. Located in a desirable neighborhood near the Broadview Library and within walking distance of Schroeder Park, it's perfectly positioned for convenience and recreation. As you step through the front door, you'll be greeted by a spacious living room with hardwood floors and abundant natural light. Just to the left, the dining area features a lovely bay window that provides a picturesque view and even more natural light. The kitchen is equipped with ample cabinet space and laminate flooring, making it both functional and easy to maintain. The remodeled bath adds a touch of modern comfort. The partially finished basement includes a family room, offering additional living space for relaxation or entertainment. Although this is an AS-IS home, the outside offers you a large rear deck and a fenced yard, ready for you to enhance and make your own. Whether you're dreaming of a lush garden or a cozy outdoor retreat, this space provides the perfect canvas. Bring your vision and ideas-this home is full of potential and waiting for you to make it your own.
