Overview

Welcome to Paradise - a true dream home. This custom high quality craftsmanship timeless home was designed by renowned architect Donald Gardiner. This exceptional residence harmonizes rustic charm with modern conveniences. The heart of the home is the stunning custom stone fireplace that soars from floor to ceiling. Gourmet kitchen features hand built cabinets from Maine and Vermont Soapstone countertops, adding an artisanal touch. The great open floor plan seamlessly connects the main living areas, creating a perfect setting for both relaxation and entertaining. The first floor primary bedroom suite serves as a serene retreat with an elegantly appointed bathroom that ensures comfort and tranquility. Step outside to a very private resort like oasis that redefines outdoor living. Beautiful heated salt water gunite pool is surrounded by stone walls, patio space, multi level gardens, and a luxurious hot tub spa. A separate guest cottage offers possibilities and completes this country estate
