Overview

The Hugh Barron House stands just 1 mile up the Old Siskiyou Highway. One of the oldest homes in the area, this Classical Revival Style home, built in 1858, is situated on 33.76 acres with 26 irrigated. Large lawn areas, fertile pastures bordering Hill Creek, towering oaks and expansive views toward Emigrant Lake make an impressive setting. Wraparound deck and porch leads to the comfortable and authentic interior. Spacious main living with wood floors, open living, dining and kitchen are welcoming and adjacent to the office and family room with brick surround for wood stove. The kitchen features red tile counters, Wolf range and large dining bar. Upper-level features 3 bedrooms and 2 baths. Separate 660 sf cottage built in 1900. Separate fixer double wide with own septic is holding additional homesite which can possibly be moved to another site on property. 3 car garage/shop. Pool not recently used. Well has 2200 gal holding tank and was 6 GPM at last test. Shed and old bunkhouse. Owner may carry.
