Overview

Captain's Quarters is a robust, solid concrete home featuring 5 bedrooms and 5.5 bathrooms, complete with a pool and offering unobstructed views of Neltjeberg Bay along with refreshing easterly breezes. This property is equipped with net metering, solar panels, and a generator, providing constant, uninterrupted power supply. Tastefully furnished, the home boasts a chef's kitchen, and its grounds are professionally landscaped with a grey water system. The kitchen and living room open to an exceptionally large porch, which serves as an extension of the living room, perfect for great entertaining. The porch is enhanced with stainless steel railings, adding both style and durability. The main house includes 3 bedrooms and 3.5 bathrooms, with temperature-controlled closets. Under the main house, there is a 2 bedroom, 2 bathroom apartment, which is a proven successful short-term rental. Additionally, there is an enclosed garage for secure parking. The home is designed with convenience in mind, featuring a single-level layout with no stairs.
