Overview

This beautifully updated 4 bd, 2 ba residence offers modern comfort and classic charm on a generous .79-acre lot. With fresh updates throughout, including contemporary fixtures, and a refreshed kitchen and baths, this home is move-in ready and perfect for modern living. Step inside to discover a floor plan that effortlessly blends functionality with elegance. The kitchen boasts sleek countertops, beautiful cabinetry, and high-end appliances. The primary suite and the additional bedrooms offer ample space and versatility for your needs. Each bathroom has been exquisitely updated. Outside, the property shines with two large outbuildings, perfect for storage, hobbies, or a workshop. Enjoy the serenity of your private oasis with lush fruit and nut trees that offer both beauty and bounty. The peaceful neighborhood and close proximity to schools and amenities make this an ideal location for comfortable living. Don't miss the opportunity to make this exceptional Sachse property your new home.
