Overview

This stunning 3-bedroom, 3.5-bathroom new construction is waiting for you. With over 2,700 sq ft of living space, this mountain modern 3-story home is located at the heart of Blue Ridge Mountain Club in The Meadows. Adorned with elegant finishes and an open-concept interior, and featuring a gorgeous wood-panel ceiling and centerpiece fireplace in the living room, this home is excellent for entertaining guests. Unwind with loved ones and take in the expansive view through floor-to-ceiling windows, or step outside to enjoy sitting by the fire in the cool fall air. The bright and open kitchen boasts beautiful backsplash, abundant cabinetry, and a separate beverage refrigerator, opening into a large formal dining room. All bathrooms feature custom tile. Enjoy an evening on the covered deck or take a short walk to the new pool. It can all be yours at The Meadows, where the beauty of Blue Ridge Mountain Club takes center stage. All appliances, including washer and dryer, are included.
