Overview

Real log cabin in Lakemont on over an acre of land. This home features 8x12 white pine logs with through rod technology that can be tightened inside the baseboards if needed. 2 bedrooms and 2 bathrooms on the first floor and an open loft bedroom upstairs. Has nice appliances and custom cabinetry in kitchen, and pine floors throughout the house. Deep bath and double sinks in main bathroom, and private garden doors to back porch. Features a beautiful synthetic stacked rock fireplace and a covered back porch to view the wooded land full of deer and other wildlife daily. The home is in a quiet neighborhood on land that used to be an apple orchard. It has a circular gravel driveway in front of house, with plenty of parking. With over an acre of property, you will have plenty of space to plant more trees, build a garage, or add onto the home. Has a brand-new roof. Only 4 miles from Tallulah Gorge State Park, Lake Rabun, and 7 miles from Clayton, GA. More photos coming soon.
