Overview

One of a kind Property, great for multi generational living or perfect for a contractor that needs ample space and wants to have an income generating property while supplementing costs. The property offers 6000 sq feet of living quarters the main home featuring 3 bedrooms all with an ensuite, a primary bedroom with 2 additional rooms great for office space and an additional private bonus space off the primary that can be used as a separate den if desired, and a sizable kitchen/ dining area that has a porch leading out to the pool area which is great for entertaining friends and family. There is a sizable additional space with a kitchenette and bath that would be fantastic for a family member or spoiled teenager that if you give this space to may never fly the coop. The rental is an updated and spacious 1 bedroom with private entrance and parking. Solar that is owned makes for affordable utilities, owned propane tanks for gas heat, huge garage space with two additional rooms.
