Overview

Dont miss this exceptional property featuring a heated pole barn-style garage with an attic, half bath, and a dedicated paint storage room. Additionally, the property includes a separate 30 x 24 detached garage with an attic for extra storage needs. The kitchen is a highlight, showcasing elegant quartz countertops, maple cabinetry, and pantries, all complemented by oak hardwood flooring. The breezeway offers multiple storage closets and pantries, enhancing convenience. The bright living room and separate dining room provide ample space for relaxation and entertainment. The first-floor primary bedroom boasts an en-suite bathroom with a stand-up shower. The home includes a total of three full baths and two half baths, ensuring ample facilities for residents and guests. Storage is abundant, with walk-in closets in each bedroom and multiple pantries located throughout the baths, kitchen, and first-floor laundry area. The property is well-equipped with numerous outlets and outdoor water faucets, including those at the garden and greenhouse. Exterior features include a full-length covered front porch, a sunlit composite deck, and a covered patio complete with a ceiling fan. For added convenience and peace of mind, the home is equipped with a Generac whole-house generator. There is also extra parking available for RVs or work trailers, and all appliances are included

with the home.
