Overview

Discover your dream oasis in this stunning 4/2.5 lakefront home. Boasting a host of recent upgrades, a newer a/c unit, water heater and a breathtaking kitchen featuring marble countertops and 42" cabinets, this home is the epitome of modern elegance. Inside enjoy the seamless flow of the open layout, highlighted by crown moulding, recessed LED lighting, and beautiful flooring - Carrera porcelain downstairs and laminate wood on the stairway and upstairs. A hidden storage space under the stairs offers extra convenience. Relax and entertain in style with a spacious patio complete with a custom awning and cozy bistro lights. The outdoor area is perfect for alfresco dining. The master suite is a private retreat, with a walk in closet. This home offers the perfect blend of comfort and luxury.
