Overview

A great opportunity for low maintenance living in the Stonehaven community! Take advantage of this move-in ready condo. Step inside to the living room boasting great natural light featuring a wall of built-ins and a desk area. Through the hall to the right you will find a full bathroom with laundry closet. Off this space is the kitchen/dining area combo. The kitchen features stainless steel appliances and granite countertops. Off the dining area, you will find an inviting patio space perfect for morning coffee or grilling for dinner. There is a utility closet for storage off the patio. Upstairs you will find three spacious bedrooms and a large, full bath. The maintained swimming pool, walking space and picnic areas are some of what makes this community quaint and inviting! Stonehaven is in a central location between Morganton and Valdese and close to I-40!
