Overview

Beautiful townhouse in a prime location within popular Mission Hills! Large, kitchen with breakfast nook eat-in, white European style cabinets, Heat resistant Corian countertops, tile backsplash, and stainless-steel appliances. Durable Berber carpet throughout most rooms and custom plantation shutters in 2nd bedroom. Open dining room and living room with Marble fireplace and Double sliding doors off the living and dining rooms overlooking the greenspace of the old golf course. First floor half bath, with Sheryl Wagner Sink. The Master Bedroom has sliding doors to a private balcony to enjoy peaceful views. The dressing area consists of a walk-in closet, bathroom with tub/shower, and built-in vanity. A nice sized guest bedroom en suite with great closet space on the second floor, The laundry is in the roughed in unfinished basement with plumbing for tub/shower and toilet, 2 car garage spaces with 2 car spaces of outdoor parking. Mission Hills is a lovely, gated community with pools and walking paths.
