Overview

Retirement or perfect spot for riding 4 wheelers and dirt bikes. Home is where the heart is and this sweet home just says come on in. Built in 2017 and filled with love and laughter. Possibility is endless with 15 acres very close to Howell Bridge Rd and 575. Rural neighborhood and convenience wrapped into one. Workshop and separate garage give you the perfect spot for woodworking and working on your toys. Great building for hobby or craft space. Perfect for artist or pottery studio. House, garage, woodworking or art studio you can have it all. Weekend retreat or full time living. Build your dream home on acreage and use current home for guests or caretaker. Property is at the end of the road on right. Long driveway and very private. The deer will be waiting to greet you. Great spot for a garden and plenty of acreage for your pets. Heavily wooded and truly endless possibility.
