## Overview

Located 9 miles south east of Muncie, IN sits this wonderful homestead. The home is 2925 sq ft with 4 bed rooms and 2 bathrooms and includes some recent upgrades! The major updates are new flooring and paint throughout, new plumbing, new bathroom fixtures and many more! There are two existing barns that are older but still very usable with concrete floors and power. The pasture area includes about +/- 6.5 acres all fenced with operating gates. In the back of the pasture there +/- 2 acres of woods that is full of wildlife sign and has a pond. The woods in unique in that it is full of oak trees! This property is ready to go for someone looking for a small farm or enjoys homesteading.
