Overview

#RANCLIFE Discover Your Dream Ranch! Come see this stunning 76-acre ranch property just a few miles from town, nestled in the mountains above the fog line. Enjoy breathtaking sunrise and sunset views of the prairie and surrounding mountain tops. The property features a picturesque pond, vibrant wildflowers, and mature pine trees on the hillside. The tranquil environment attracts elk, deer, bears and other wildlife year round. Fully fenced, it's perfect for your livestock. Power is readily available stubbed at the road and a power line running through the property to a possible building site. Plus, there's an opportunity to expand with a sister property also for sale, adding 15 more acres for grazing cattle or horses. This rare gem has been cherished by one family for generations and is now available for you to create your own legacy. Dont miss out on this exceptional opportunity!
