Overview

This beautiful tract for your dream home with NO RESTRICTIONS and 15.12 acres of amazing property with a road already cut in. Convenient location for a small neighborhood or several large homesites and pastures for horses. With two springheads in the middle of the property, the stream has water year-round. Rural feel yet close to the hospital and downtown Easley and a short drive to 85 and Clemson or Greenville. Lots of activities nearby including lakes and State Parks. This would be a great purchase for builders, investors, or someone ready to get away from their HOA. Perc Test on file. Don't let this one pass you by.
