Overview

Step into this impeccable and stylish 3-bedroom, 3-bathroom townhome boasting exquisite high-end upgrades and beautiful views of the nearby golf course. With an open concept layout and an abundance of natural light streaming through large Anderson windows, the space feels truly inviting. Step through the covered porch into a welcoming foyer that leads seamlessly into the gourmet kitchen which is a chefs delight, equipped with custom cabinetry, a stylish backsplash, a generous walk-in pantry, stainless appliances, and an impressive center island ideal for entertaining. The luxurious primary bedroom is a private retreat with an en-suite bathroom complete with a separate tub and walk-in shower. The spacious walk-in closet provides convenient access to the laundry room. Enjoy one-level living along with a fully finished walk-out lower level which is an entertainers delight, featuring a third bedroom with a walk-in closet, a bathroom, and a versatile family room. The media room, complete with an attractive wet bar, is perfect for movie nights. Additionally, the large storage area ensures you have ample space for all your belongings. Don't miss the attached oversized heated 2-car garage. So many WOW factors in this home!
