Overview

Located in the beautiful quiet community of Bridgeport this custom built home is absolutely stunning. The home features 4 bedrooms and 2.5 bathrooms with an office on the main level. This home is a coastal oasis with a custom kitchen which features paneled appliances, 48 inch llve white and polished brass range, white oak china cabinet, pantry, dry bar with floating shelves and coastal lighting. The living room is beautifully designed with a paneled fireplace, white oak floating shelves and shiplap to finish it out. The home features sky lights throughout the downstairs giving the home plenty of natural light. The primary bedroom is a private retreat with its own patio to enjoy the view. The 16 ft ceiling has exposed wood beams and with the circular design is a stunning accent to the home. The primary bathroom has polished porcelain tile with a floating, large walking shower as well as a custom built double vanity. The bedroom has two separate closet areas including a walk in closet allowing for ample storage within the primary. The second level laundry room has corner to corner cabinetry perfect for extra storage. The home has a 3 car garage which is perfect for the beach community as many members take their golf carts to the 3 minute ride to the sand. With luxury shopping and restaurants just minutes away at 2nd and PCH as well as the beach this location is absolutely perfect for your coastal experience.
