Overview

Just Imagine escaping to a tranquil wooded lot with a lake view just down the road! Lot #6 at White Cloud Lake Estates is where you'll find 4.14 acres of improved land that has been cleared for a home site with 400 amp service, plumbing, septic and lagoon, and internet ready for you to build your dream Barndominium (shouse) or custom home! The Shed, a custom built studio home allows you to enjoy the privacy, peace and nature now and provides you with a retreat or a quiet place to work remotely as you build your permanent home. Built in 2022, with fiber internet, 200 amp electric service, Heating and AC, water softener and a tankless water heater, The Shed has a custom kitchen, full bathroom, LVP flooring, windows overlooking the lake, and a custom-built Queen size Murphy Bed.
