Overview

Escape to the tranquility of the countryside! Capture stunning views of the Owyhee Mountains to the southwest and Bennett Mountain to the northeast. Enjoy picturesque, unobstructed sunsets and the luxury of abundant fresh air, with no immediate neighbors to interrupt the tranquility. This 5-acre parcel offers ample space for a variety of animals, allowing you to create your own personal haven. The covenants are thoughtfully designed to ensure the preservation of value and tidiness in the subdivision. Take advantage of the freedom to bring in your own chosen builder, and also know that builders have the option to participate, with the seller providing subordination.
