Overview

Experience unparalleled luxury in this stunning modern estate, sprawling across 31 acres of pristine land. This home is a true masterpiece, boasting quartz and granite countertops, top-of-the-line lighting, and three gas fireplaces for that perfect touch of warmth and elegance. The chef's kitchen is a dream come true, with two huge pantries, abundant cabinetry, a breakfast bar, wine fridge, nugget ice maker, double ovens, and a wet bar, everything you need to entertain in style. Retreat to the master suite, a private haven featuring a luxury bath with a walk-through shower, a stand-alone tub, and floating sinks. Upstairs, three spacious bedrooms each have their own full baths, complemented by a shared gaming area, ideal for family fun. The home also offers three living rooms, a formal dining room, an office, and a 20x30 shop for your hobbies and projects. The outdoor space is a true oasis, featuring a gunite pool complete with two stunning water features, a slide for endless fun, and a luxurious hot tub to unwind in after a long day. The grilling porch is equipped with a half bath, fireplace, ceiling heater, and a full kitchen, making it perfect for year-round gatherings. Welcome Home!
