Overview

Nestled on 5 wooded acres in Warren County, this well maintained, one-owner all-brick home offers a blend of traditional beauty and southern charm. Its privacy, lush greenery, and expansive layout make it a true sanctuary. It features 4 generous bedrooms, 2 baths spread over almost 2, 700 square feet. As soon as you turn in the driveway youre greeted by the southern-style covered front porch, perfect for relaxing and enjoying the quiet countryside. Entertaining or just being together as a family is easy in the living area, large bonus room, or on the expansive back deck. The extended 2-car garage and extra storage building offers ample space for vehicles and storage, while the looped driveway enhances convenience and curb appeal. Children and pets will love the sizable play area situated in the side yard, ensuring endless outdoor fun. This custom-built beauty exemplifies craftsmanship and care. Dont miss the opportunity to make this Hilltop Haven your forever home.
