Overview

Best of both worlds! This property offers the feel of the country with 2.48 acres while being right in town. Inside you will find abundant space on the main floor which offers beautiful hardwood floors, 3 bedrooms, 2 baths, kitchen/den with huge island and wood burning fireplace, living room, dining room and a magnificent sunroom looking out over your amazing backyard complete with rock fence. This is the perfect place for family cookouts, games, and enjoying family and friends. Head back into the house and there is a full basement that is partially finished complete with a third bathroom. This is the perfect spot for a man cave, teenager hang out spot, mother in law suite, craft room.....the possibilities are endless. The other end of the walkout basement is nothing but amazing and endless storage! There is also a 2 car garage on the main level and an inviting front porch to enjoy cool evenings and a beautiful front yard view. If you have pets there is an invisible fence already in place and collars/equipment will remain.
