## Overview

This beautiful new build by Central Arkansas Construction is situated on a corner lot and features 4 bedrooms, 2.5 bathrooms, and an array of contemporary amenities. The home showcases quartz countertops, stainless steel appliances (including a refrigerator), custom cabinetry, and a spacious pantry, ideal for those who love to cook. A functional laundry room adds convenience. The open living space, with LVP flooring, extends effortlessly to a covered patio and fenced backyard, creating an ideal setting for outdoor gatherings. The primary and guest bathrooms are stylishly tiled, offering a tranquil retreat. Dont miss out on the opportunity to make this stunning property yours! Agents, please refer to agent remarks.
