Overview

GREAT HUNTING AREA IN THE MISSOURI OZARKS. Beautiful hardwood timber on 307 mostly wooded acres. Just a few miles north of Annapolis, this place would be great for deer season coming up shortly, plus turkey and hogs. Lots of roads and ATV trails throughout the property. It joins thousands of acres of Mark Twain National Forest and has a nice spring in the bottom of the valley. The property is secluded but has good access. Only a few miles from Black river and Hwy K bridge. \$599, 000
