Overview

Check out one of the new builds available at Market Street in Parkton just across from the community park! The Iris floor plan is a spacious charming one-story home! It boasts 3 bedrooms and 2 bathrooms, double car garage, kitchen, dining area, and laundry room. The master suite includes double vanities, quartz countertops, brushed nickel plumbing fixtures and accessories. The kitchen includes stainless steel appliances, granite countertops, and ceramic backsplash. LVP flooring runs throughout the foyer, family room, kitchen, bathrooms and laundry and carpet in bedrooms. Featuring A and G Residential Simply Better features - 2-10 homebuyer's warranty, 14 Seer Energy Efficient HVAC System with Programmable Thermostats, energy efficient 50-gallon electric water heater, 30-year architectural shingles, low maintenance vinyl siding, aluminum gutters in front, Sentricon Termite Colony Elimination System, wireless security system, and more!
