Overview

LOOKING FOR A NEW PLACE TO CALL HOME? This custom designed two story has IT ALL! From the extra deep covered porch walk into the spacious living room with built-in reading nook; open kitchen with breakfast nook; formal dining room; half bath and plentiful closets. Upstairs you will find the large master bedroom with walk-in closet and en suite bath with double vanities, jet tub and walk in shower; three more bedrooms; full bath; laundry room; and a home office. Finished lower level may be accessed from inside the house or through the garage - another bedroom and bath, family room with kitchenette; exercise/play room plus LOTS of storage. Propane Two-Stage Forced Air heat, TrueStream Internet, new carpet throughout the house, plus 30' x 40' pole barn round out the package!!
