Overview

Experience the epitome of modern comfort and style in this exceptional ranch-style home, featuring a smartly designed split floor plan for optimal privacy and convenience. As you enter, you're greeted by a seamless flow throughout the open concept kitchen, dining area, and living room a perfect setting for both entertaining and everyday living. The centerpiece is a cozy fireplace flanked by custom built-ins, creating a warm and inviting atmosphere. The chef's kitchen is a culinary delight with custom cabinets, elegant stone countertops, and a spacious walk-in pantry, providing ample storage and functionality. On one side of the house, discover three generously sized bedrooms and a full bathroom, offering versatility and space for family or guests. On the opposite side, the serene primary bedroom suite awaits, complete with its own private bathroom, offering a peaceful retreat at the end of the day. The basement hold a full bathroom, bedroom and large family space.
