Overview

Experience effortless living in this spacious 2700 SF townhome located in the tranquil Fort Sheridan. Renovated in 2006, it beautifully combines historic charm with modern amenities. The open floorplan, large windows, and high ceilings create a bright and inviting atmosphere, complemented by gleaming hardwood floors and neutral decor. The gourmet kitchen is a standout feature, offering ample storage and prep space, stainless appliances; double ovens, a gas cooktop, and granite counters. The spacious great room is ideal for both hosting large gatherings and enjoying everyday family life. The primary bedroom is a luxurious retreat with vaulted ceilings, a spacious walk-in closet, and a lavish bath with double vanity, jacuzzi, and separate shower. Three additional generous bedrooms, including one with custom built-ins and sound-deafening glass enclosure, provide flexibility and comfort. Additional highlights include a first-floor laundry, a 2.5 car garage with custom storage, and a charming stone patio with a built-in gas line for a grill. Enjoy the peaceful surroundings with miles of walking trails, playgrounds and easy access to the beach, Metra, and nearby amenities from this well-appointed home.
