## Overview

This rarely used 2 bedrooms plus loft, 3.5 baths, attached one car garage condo is approximately 2705 square feet and is located in The Lodges at Snowcreek Resort. This unit backs to a water feature in The Lodges and has a great view of Mammoth Rock from the guest bedroom window. The Lodges architecture features rough-hewn timber, 8 foot knotty pine doors, spacious rooms with large storage closets, and vaulted ceilings. The large gourmet kitchen has knotty alder cabinets, Kohler farmhouse sink, stainless steel appliances, a six-gas burner range oven, granite countertops and a walk-in pantry. The living space has a cozy area to relax around the wood burning fireplace. There is also an alcove with a pull out sofa and curtains for privacy. The spacious main bedroom suite has access to the balcony and the bathroom features 2 sinks, a large soaking tub, separate spacious shower and two closets with one being a walk-in closet. The guest bedroom suite has great views of Mammoth Rock, a large storage closet and a bathroom with a shower and 2 sinks. The loft features two twin beds, a pull out sofa, and a chair that also is a pull out bed! The property is close to the Towns transit system and Athletic Club. Sold mostly furnished.
